

# O'Phee Trailers

Rocklea based, O'Phee Trailers, have teamed their unique design and quality production facility with a can do attitude that has seen them continually adapt designs to suit the changing demands of the operator.

Renowned for their quality convertibles, drop decks, extendables, skels, dollies, and moving floors, to name a few, O'Phee has built a reputation on excellence and performance, setting up a manufacturing process that can cater for just about any call.

***"We receive a lot of satisfaction in knowing we have given our customer exactly what he wants,"*** says Owner Mick O'Phee, who together with his wife Sharon (also Vice President of the CVIAQ) and their faithful mascot, Axle, have built up an excellent customer base both in Rocklea and around the country.
